

# SERVICES OF DEATH AND RESURRECTION

## AT EASTPORT UNITED METHODIST

926 Bay Ridge Ave., Annapolis, Maryland 21403

---

### THE CHRISTIAN FUNERAL

The Resurrection is the centerpoint of the Christian faith and shapes Christians' attitudes and responses to the event of death. In the face of death, Christians affirm with tears and joy the hope of the Gospel. Christians do not bear bereavement in isolation, but are sustained by the power of the Spirit and the community of faith. The church offers a ministry of love and hope to all who grieve. Just as the church embraces us in our baptism and throughout our Christian life, so it should embrace us in our death and in our hope of resurrection to eternal life. Christians believe that the death and resurrection of Jesus Christ gives them hope and cause for thanksgiving in the face of death. In this faith, we entrust those who have died to the infinite mercy and love of God.

It is the commitment of the clergy and music leadership of Eastport United Methodist Church to present a properly balanced and theologically sound service that both honors our loved ones and praises God through worship and word.

### PASTORAL STAFF

Upon the death of one of our members, please contact church administrator Mrs. Rose Maple at the office, 410-263-5490, as soon as possible. If she cannot be reached, contact Pastor Chris at 318-349-7110. Upon receiving your call, arrangements will begin to be made to secure the

pastor, if available, reserve the sanctuary/fellowship hall and inform our Director of Music of the service. The appointed pastor will make every effort to officiate. Unfortunately, there are times when the pastor(s) are out of town or unavailable. Please note that each of them - Pastors Chris Broadwell (appointed), Johnson (volunteer), and Barss (volunteer) - are here to serve and care for you and your family.

Should you desire an alternative pastor, this first must be approved by the appointed pastor before requesting a pastor outside of Eastport United Methodist.

Our pastors also earnestly desire to know of those who need comfort and counsel as they face death. By being involved early in situations of death or impending death, the pastor can help immensely with the necessary decisions regarding service arrangements as well as caring for the spiritual needs of those involved.

## **TYPES OF SERVICES**

All services conducted by the pastors of the church are services of worship for the community of faith. While the form of the services may differ, each is a Service of Witness to the Resurrection of Jesus Christ.

**Memorial Service**—The Memorial Service is a service in which the body is not present. Interment of the remains in a Service of Committal has either preceded the Memorial Service or will take place at a later time.

**Funeral Service**—The Funeral Service is a service in which the body is present in either a casket or an urn. The Funeral Service is concluded with a Service of Committal.

**Graveside Service**—The Graveside Service is a service that takes place at the burial site. The Service of Committal is part of the Graveside Service.

## **LOCATION OF SERVICE**

The service on the occasion of death ordinarily should be held in the usual place of worship in order to join this service to the community's continuing life and witness to the Resurrection. The service shall be under the sole direction of the pastor.

The church Sanctuary is the most appropriate place for a Memorial or Funeral Service. Here on the church property is where we worship every Sunday. Here is where we baptize our children, celebrate marriage, gather at the Lord's Table, remembering the love and grace of God. Here we are surrounded by the symbols of our Christian faith. In this place we have tangible reminders of the "great cloud of witnesses" that surround us and the community of faith that supports us with compassion and love.

## **VISITATION**

The Chapel provides a warm and familiar place for visitation with family and friends. Members are encouraged to use this facility for visitation as part of their arrangements. The fellowship hall is also appropriate for gathering for lunch or to receive friends and family.

## **THE SERVICE**

Memorial, Funeral and Graveside Services are acts of worship among the Christian community. The purpose of such services of worship are to glorify God, to affirm our belief in the resurrection to life everlasting and to comfort the bereaved. Additionally, gratitude and honor are to be expressed to God for the life and witness of the deceased. The pastor will collaborate with the family to design a service that both honors your loved one and glorifies God.

The service typically begins with scriptural sentences. It is appropriate for worshippers to sing hymns, psalms, spirituals or spiritual songs which

affirm God's power over death, a belief in the resurrection to life everlasting and the assurance of the communion of saints.

The Scriptures are a rich source to which Christians have turned for comfort and assurance in times of grief. The pastor will guide the selection of appropriate scripture passages and would welcome suggestions of those with particular meaning for the family and/or the deceased.

## **MUSIC**

Hymns should be chosen which affirm the goodness and grace of God and which give comfort and support to those who grieve. The pastor and the organist will guide the selection of appropriate hymns. The appropriateness of musical selections will be determined by the church's music department. Additional instrumentalists or vocalists may also be employed but must be approved by the church's Director of Music. The family is expected to contact and to cover the cost of additional musicians.

## **THE PALL**

The church may provide a pall for a member's Funeral Service. A pall is a large cloth which covers the casket during the service. It represents the covering of the Christian by the righteousness of Christ and alludes to the baptismal waters of death and new life in Jesus. Since righteousness is an unmerited gift from God and all people stand equal in the eyes of God, the outer appearance of the casket in its cost or beauty is of no consequence to the Christian community. By use of the pall, the focus of the service may remain on the goodness and grace of God. If a casket is present at the service, it may be covered with the pall furnished by the church. Where appropriate the American flag may be used in lieu of the pall. The family may choose to use a flower pall.

## **CREMATION URN**

In the case of cremation, the urn containing the ashes is usually only present at the time of committal, following or preceding the Funeral Service.

## **FLOWERS**

Typically, the family of the deceased will furnish the arrangement of flowers for the service. The church receptionist is present to receive flowers for an upcoming service from 9 until 2, Tuesday through Friday.

## **OTHER FRATERNAL, CIVIC OR MILITARY RITES**

The service shall be complete in itself; however, fraternal, civic or military rites may be included at the discretion of the pastor.

## **COSTS AND FEES**

For church members, we do request that an honorarium of at least \$275 be made to the accompanist, and \$300 to the officiating pastor. There are no charges or fees for members for use of the church's facilities. Costs to the family will be for flowers the family provides at the service and for musicians and vocalists the family may request. It will be the responsibility of the family to order flowers from the florist of their choice.

For non-church members, we request that an honorarium of at least \$350 be made to the accompanist, and \$500 to the officiating pastor. An additional \$500 is required for use of Sanctuary and Fellowship Hall.

## **SCHEDULING**

### **Members**

For members, the church is available for services Monday through Saturday, except holidays and as venues are available. On Saturdays and Sundays, Funerals may be held during afternoon hours only. Every effort will be made to work around prior scheduled events.

The church is closed or has limited availability on the following days: New Year's Day, Martin Luther King Day, Holy Week, July 4th, Thanksgiving and Christmas Eve and Christmas Day.

### **Non-Members**

The church is honored to host funerals of non-members during normal working hours or as our schedule allows. Services may also be held on Saturday and Sunday afternoons when staffing and scheduling allows.

### **Venue**

When considering a worship venue, keep in mind that our Sanctuary seats 300; The Chapel seats 40 and our Fellowship Hall seats 120.

### **Video**

Videos may be shown in the Sanctuary.

### **Meals**

Often, families desire a meal before or after the service. Members who are affiliated with a Sunday School class or other small group may have their small group host the meal. We encourage the use of catering services. Please note that if lunch is brought in by others, they will be responsible for all facets of the meals including drinks and clean-up.

There are ovens and a microwave oven in the church that guests are welcome to use.

The following pages are necessary for planning funeral services.

**Visitation**

A visitation is an informal gathering for friends and family to express sympathy, view photographs/video tribute, etc. You are invited to consider Eastport United Methodist Church for the visitation when you work with a Funeral Director.

## Personal History

On a separate page, record additional information including place(s) of residence, special events, hobbies/interests, schools attended and degrees received, accomplishments, memberships, employment history, volunteer activities, military service, etc. Include as many full names, city of residence, birth and death dates, etc. as possible. All this information is important to your family. This information does not need to be prepared in paragraph form.

## Important Documents and Advisors

It is important that survivors be able to locate vital records and important documents. Before your death, you should have a current will/living trust and related health care directives which express your wishes on important personal, financial, medical, and charitable issues for your survivors.

If you need information regarding estate planning, planned giving, and/or the inclusion of a Christian preamble for your will, please consult your legal or financial advisor. If you would like the church to recommend someone for this task, contact the church office.

Additional information is available at [www.EastportUMC.org](http://www.EastportUMC.org) under "Giving".
